Welcome to Brandon...

A great place to live, work and raise a family

www.economicdevelopmentbrandon.com

The decision to relocate is often a difficult one. Rest assured, if you choose or have recently chosen Brandon as your new home, we are confident that you will grow to love Brandon as others have. Ask any new resident of our city to describe why they chose Brandon. You will find the most frequently used terms are opportunity, quality of life, friendly and diverse. Nicknamed “The Wheat City” in honor of its rich agricultural heritage, Brandon offers a quality of life that must be experienced to be appreciated.

Brandon is a progressive community nestled along the Assiniboine River in the heart of South-Western Manitoba. The City continues to prosper without forsaking the high “Quality of Life” residents’ work diligently to maintain. Brandon is in an enviable position of being able to offer the best of both worlds, the opportunity and sophistication of metropolitan life within a stone’s throw of quiet country living.

Brandon is the 2nd largest city in Manitoba and the regional center of Western Manitoba with a population just over 51,000 and trading area population of 190,000. Situated in the southwest corner of the province of Manitoba, Brandon covers approximately 74 sq. km and is located 197 km west of Winnipeg, 365 km east of Regina and 100 km north of the United States border. Brandon’s economy is stable and poised for growth.

Brandon boasts amenities, services, educational and employment opportunities generally found in much larger Centre’s, including passenger flights to and from Calgary, Alberta via WestJet.

Brandon has an excellent array of retail outlets with two major shopping districts, including stores such as Wal-Mart, Canadian Tire, SportChek, Staples, Home Depot, Best Buy, Michaels, Winners, Ashley Furniture, Mark’s, Shoppers Drug Mart, The Body Shop, Michael Hill, La Senza, Charm, Spencer’s, Stoke’s, OshKosh B’Gosh, Giant Tiger, Superstore, Safeway, Sobey’s and Landmark Cinemas just to name a few and an extensive mix of smaller unique shops. With over 25 bars and lounges and over 100 restaurants, some of the finest in Manitoba, there is something for all tastes and budgets. There are over 2000 businesses operating within the city of Brandon.

Brandon is the only Canadian City with a population of our size that offers a University, a regional Community College and an Emergency Services College.

A sports oriented city full of top-notch recreation facilities, Brandon has everything from skiing to soccer to equestrian sports. Additionally, the city is home to a multitude of arts and cultural offerings, featuring visual exhibits as well as and musical performances in a variety of genres. A diverse offering of concerts is available at the Western Manitoba Centennial Auditorium and the Art Gallery of Southwestern Manitoba features national and international exhibitions, and works by regional artists. Brandon’s growing newcomer population is adding an exciting cultural dimension to the community. Brandon is home to folks from over 70 different countries.

With the Assiniboine River winding 17 km through the heart of Brandon, over 40 km of paved walking, biking & hiking trails, countless parks, forests, rivers, and lakes within a short drive of Brandon, the area is an oasis for outdoor enthusiasts. Five minutes away, the Rural Municipality of Cornwallis provides a tranquil setting for those who desire a rural lifestyle but want quick and easy access to city amenities and opportunities.

A Bit of History

In May of 1881, General Thomas Rosser chose a location for a major divisional point of the Canadian Pacific Railway and named this new town site “Brandon” for the nearby Brandon Hills. With that, hundreds flocked to Brandon to gain a foothold in the new development and to reap the benefits of the rich and abundant farmland. They came quickly and before they could put up permanent structures, new habitants arrived and pitched their tents, sure to be charter participants in the new West. Brandon grew so rapidly that it never attained the status of a village or a town, but became a city overnight. Brandon was officially incorporated as a city on May 30, 1882.

Today Brandon has 10 wards with approximately 5000 people living in each ward. The governing body consists of the Mayor and 10 City Councillors. An election is held every 4 years, the next election is in 2026 and there is no limit to the number of terms a Mayor or City Councilor can hold in Brandon.

Mobile Home Parks

Mobile homes are another form of home ownership, but they differ from homes in that the only place they can be located in Brandon is in mobile home parks. Mobile home owners must rent the land that their mobile is located on. Lot rental fees and services provided by mobile home parks can be determined by contacting the mobile home parks directly.

Property Taxes

Property taxes run the calendar year, January to December and are due the last business day of June.

Property owners are required to pay property taxes and should expect to receive their property tax bill in May. If no tax bill is received by the end of May, please contact the Finance Department at 204-729-2228 or 204-729-2592 or email taxes@brandon.ca

The City of Brandon offers three ways to pay property taxes:

Tax Instalment Plan (T.I.P.)

On this plan, 12 monthly payments are made by pre-authorized withdrawal from the account holder's financial institution on the 15th day of each month, rather than paying full amount at the end of June. Application forms are available online at www.brandon.ca/taxes or at the Finance Department.

To be eligible:

- Application form must be completed and submitted along with a void cheque before June 15
- Property taxes must be current*
- Property taxes must not be paid through the mortgage company P.I.T program.

*In addition to arrears being paid in full, any applications received after January payments have been processed are required to pay the months that have passed including the month the application is received.

Neither prepayment discounts nor late payment penalties apply while enrolled on this plan.

Lump Sum Payment

Properties not enrolled on T.I.P are required to pay taxes by the last business day of June. Overdue accounts incur penalty of 1.25% per month, compounded annually.

Prepayment

The City of Brandon offers discounts for any payments received prior to the month of June. Discounts are offered on monies received to a maximum value equal to the prior year's taxes. The monthly discount rates are as follows: To be eligible taxes must be current.

January.....	2.00%
February.....	1.50%
March.....	1.00%
April.....	0.75%
May.....	0.50%

The City of Brandon accepts the following methods of payment for lump sum and prepayments:

- Cash
- Cheque
- Interac
- Telephone Banking
- Internet Banking
- Night Drop Off

Personal Care Homes

Personal Care Homes are residential care facilities for predominantly older persons with chronic illness or disability.

Care is provided on a long-term basis in a 24-hour supervised setting for patients who can no longer be cared for at home.

Brandon has five personal care homes offering a wide selection of services and amenities.

Manitoba Health Information

www.gov.mb.ca/health/mhsip

In order to receive free health care, you must have a Manitoba Health number. All applicants can contact the Manitoba Health office in Winnipeg at 204-786-7101 or toll free at 1- 800-392-1207 for help in completing the Manitoba Health application.

Forms may be picked up at:

City of Brandon, Main floor, Finance Department
410 – 9th Street Brandon, MB

Hours: 8:30 a.m. to 5:00 p.m.

Note:

The City of Brandon Finance office staff members do not assist with completing Manitoba Health forms.

When applying for a Manitoba health card:

- The Manitoba Health card takes approximately four–six weeks to arrive.
- There is no cost to apply for a Manitoba health card and no monthly fees.
- The Manitoba Health card is required when visiting a doctor, obtaining services from the hospital, or filling a prescription.

Immunizations

Immunization is recommended for individuals of all ages, in order to prevent serious illness and disease. Immunizations also help protect those who cannot be immunized, due to certain health conditions. Immunizations are voluntary in Manitoba. For questions and information related to immunization please contact Public Health Services at 204-578-2500 or notify your family doctor or nurse practitioner.

Pharmacare

<http://www.gov.mb.ca/health/pharmacare>

Pharmacare is a drug benefit program for any Manitoban, regardless of age, whose income is seriously affected by high prescription drug costs. Coverage is based on both your total family income and the amount you pay for eligible prescription drugs. Each year, you are required to pay a portion of the cost of your eligible prescription drugs. This amount will be your annual Pharmacare deductible. Your deductible is set based on your annual family income.

You qualify if:

- You are eligible for Manitoba Health Coverage.
 - Your prescriptions are not paid through another provincial or federal program.
 - Your prescription drug costs are not fully covered by a private drug insurance program.
- Your eligible prescription drug costs exceed your Pharmacare deductible.

For More Information, please contact:

Manitoba Health

Phone: 204-786-7141 - **Toll Free** – 1-800-297-8099

Driver & Vehicle Licensing Information

**Manitoba
Public Insurance**

Phone: 1-800-665-2410

Hours: 8:30 a.m. to 4:30 p.m.

731 - 1st Street
Brandon, MB R7A 6C3
www.mpi.mb.ca

For detailed information about licensing a vehicle in Manitoba or obtaining a Manitoba driver's license, please contact the Customer Service line at 1-800-665-2410.

Vehicles

If you are purchasing a vehicle you may want to know if it was involved in an accident. MPI Service Centre's can do a vehicle search for you in order to provide collision information on vehicles. You must have an accurate serial number with you when you request a vehicle search. If you ask, they will also send out the "estimate sheet" that sets out details of previous damage. This process can take a few days.

Drivers

If you hold a valid driver's license from another jurisdiction, you may operate a motor vehicle in Manitoba for up to three months. After three months you will be required to exchange your valid out-of-province driver's license for an equivalent Manitoba license without completing written and road tests.

Jurisdiction information is available by contacting MPI or visit www.mpi.mb.ca/en/DL/DL/Pages/New-to-Manitoba

If you have a valid driver's license from a jurisdiction that does not have a reciprocal arrangement with Manitoba, you may operate a motor vehicle in Manitoba for up to three months. After three months you will be required to successfully complete a knowledge test and a road test. Before taking these tests you must register as a Manitoba Public Insurance customer and provide proper identification documents.

New licensees will be required to complete the Graduated Driver Licensing (GDL) program. More information can be found at the following website address: www.mpi.mb.ca/Pages/graduated-driver-licensing

To obtain information on Driver License Identity Requirements, visit the MPI website at www.mpi.mb.ca or call 1-800-665-2410.

The maximum cost (excluding merits or demerits) per year for a driver's license is \$65.00.

Driver's licenses higher than class 5 (private vehicle) or 6 (motorcycle) require a medical examination.

Emergency Police – Fire - Ambulance Phone 911

Brandon has its own police service that offers patrol, crime detection and crime investigation, along with public education and a variety of specialized units to support these services. Brandon has a modern, fully equipped Fire Department, which also provides Ambulance Service. The Emergency Communications Centre provides E-911/Police dispatch services for areas on-line in the Province of Manitoba and for the Brandon Police service.

Emergency telephone numbers are only to be used for emergency situations. The 911 Centre has access to a translation service. Emergency Operators are well trained in Emergency Medical Dispatch and Fire Priority Dispatch. They will ask a series of questions as well as tell you what to do until help arrives.

Questions the 911 Operator may ask when you need help:	Have the following information by your phone:
<ul style="list-style-type: none"> ✓ Do you need “Police, Fire or Ambulance”? ✓ What is happening now? ✓ What is your name? ✓ What is your address? ✓ What is your phone number? 	<ul style="list-style-type: none"> ✓ The 911 number ✓ Your address (<i>section-township-range, if applicable</i>) ✓ Your phone number ✓ If you live in a rural area, know directions to your home from a main road or highway, Police Station or Fire Hall.

Helpful Hints:

- Teach everyone in your family how to make emergency calls.
- If you accidentally call 911, stay on the line so the operator knows that help is not needed; otherwise, the operator will notify the Police to investigate.
- When driving - know your location and surrounding area. Take note of the distance you have travelled from the last town or city. Know the road name you are travelling on. Take note of cross roads.

Manitoba Online Child Care Registry

The Online Child Care Registry makes finding and applying for childcare easier by:

- managing all child care applications on a single web site
- providing current information on all available licensed providers
- providing information on each provider that can help you choose the facilities that meet your needs
- informing you when child care providers are accepting applications
- allowing you to apply to several providers at once
- keeping your contact and service needs information up-to-date
- allowing you to update for all providers at once

If you are a permanent resident or Canadian citizen, there is no cost to send your children to public school. Parents can also choose to place their children in private schools. The cost of public school is paid with tax dollars, while private schools are partially supported by government grants and tuition fees paid by parents.

Parents in Manitoba are encouraged to become involved in their children's education. Most schools invite parents to join parent councils. The school parent councils organize special programs and events, fundraise for the school, and give advice on school needs and priorities. Parents are welcomed to discuss any concerns with the teachers and principals.

Most children in Manitoba start school when they are five years old. They go to kindergarten for half a day during the first year then full days from Grade one to twelve. The school year runs from September to June each year. English is the main language of instruction with some schools also offering instruction in French. If you would like more information about the school system in Manitoba, please visit www.edu.gov.mb.ca

The Brandon School Division has approximately 8,900 students and approximately 1,500 staff members. It encompasses 24 schools, 21 of which are located within the City of Brandon. There are four (4) high schools and 20 early and middle year schools in the Brandon School Division. French Immersion programming is offered from K-12 at four (4) division schools, École O'Kelly School at CFB Shilo, École New Era School, École Harrison and École Secondaire Neelin High School. The division also offers an Advanced Placement program at [Crocus Plains Regional Secondary School](#) and [Vincent Massey High School](#) as well as Vocational Training at Crocus Plains Regional Secondary School.

The School Division is governed by a board of locally elected trustees, therefore there is a great deal of accountability to the people they serve. Board meetings are the 2nd and 4th Monday of each month with exceptions in July, August and December. All meetings are open and the public is always welcome. Please visit the Brandon School Division webpage at www.bsd.ca to find out more.

Extra-curricular sports and school activities such as choir, band, drama, academic skill contests, clubs and volunteer groups are an important part of the social portion of the school system. Brandon schools offer organized sports teams as a means of building school pride and student engagement. Sports offered include badminton, basketball, baseball, curling, fastball, football, golf, hockey, rugby, soccer, track & field, volleyball and many others.

The service Brandon University provides to Western Manitoba is unique. As Canada's finest regional university, we serve our community by creating and sharing knowledge with the country and the world, through research and teaching.

With some of the lowest class sizes in Canada, BU provides a personalized education not available anywhere else, offering unparalleled access to professors and undergraduate research opportunities.

Founded in 1899, Brandon University now boasts an average enrolment of 3,500 students in the faculties of Arts, Education, Health Studies and Science, as well as the School of Music. The university offers a full slate of undergraduate programs, master's degrees in five areas, and a graduate diploma option, while remaining small enough to support a welcoming environment for all. Brandon University ensures a strong foundation for students who plan to pursue specialized education, with pre-professional programs in 19 areas, ranging from agriculture to veterinary medicine. BU is also an innovator. Programs such as Applied Disaster and Emergency Studies, Native Studies, the Master of Psychiatric Nursing program, and the IshKaabatens Waasa Gaa Inaabateg Department of Visual Art were among the first of their kind in Canada.

At BU, we believe that real-world experience complements quality education. With an extensive and growing Co-operative Education Program, plus practical experience built into other programs, nearly every BU student has the opportunity to include work-integrated learning in their university degree.

Brandon University invests greatly in support for our students, including comprehensive academic advising, individual career planning, personal counselling and robust accessibility services. The BU Indigenous Peoples' Centre provides students with a culturally relevant place to relax and socialize on campus, while providing access to the wisdom of Elders and Knowledge Keepers. Brandon University has an active Student Leader program, with further student-led clubs and activities providing endless opportunities for enrichment.

The success of BU's approach is shown in our alumni, with graduates playing important leadership roles in their communities. A survey of graduates has shown that 98 per cent of them would recommend Brandon University, while 93 per cent that they were prepared to excel in the workforce.

A jewel at the heart of Brandon, BU's campus is a gathering place for the community, with dynamic architecture and public art set among an oasis of quiet green space. The Bobcats Athletics program has produced national-calibre teams in volleyball, basketball and soccer, while their home, the Healthy Living Centre, is open to the entire community and provides a modern and inviting place to exercise. BU's renowned Music program entertains us with concerts by visiting professional musicians and the stars of tomorrow at our own student performances.

We hope you'll be part of the BU community!

Assiniboine offers more than 60 certificate, diploma and post-graduate programs across a variety of disciplines including culinary arts and hospitality, business, agriculture and environment, health and human services, and trades and technology. The college also delivers apprenticeship programming in a range of skilled trades disciplines.

The college welcomed more than 3,700 full-time and 6,000 part-time students last year. Of those students, 500 were international students from over 20 countries. With campuses in Brandon, Dauphin, Winnipeg and Portage la Prairie, Assiniboine provides comprehensive educational opportunities throughout Manitoba. The college also partners with many communities and organizations across the province to deliver customized education and training.

The college employs more than 650 part and full-time employees and Assiniboine's annual provincial economic impact is \$612 million. In the most recent survey of graduates, nine months after graduation, 94 percent of graduates were employed, and 92 percent remained in Manitoba. With 86 per cent of graduates originating in the province, that's a net population gain for Manitoba as a result of students studying at Assiniboine. Our most recent graduates, nine months after graduation are making an average of \$46,800, exceeding the average income of Canadian college diploma grads after two years, which is \$38,200 according to the National Graduates Survey [[The State of Post Secondary Education in Canada 2022](#) (Usher, 2022)].

Assiniboine Community College campuses are located on the traditional territories of Treaty No. 1 and Treaty No. 2, the shared traditional lands of Cree, Oji-Cree, Dakota, Dene and Anishinabek/Ojibwe peoples, and the homeland of the Red River Métis. We acknowledge their welcome to the students who seek knowledge here.

Westman Immigrant Services is a community based charitable organization that assists immigrants and new Canadians by providing three core services; English as an Additional Language (EAL) classes, Settlement Services and Brandon Community Language Centre Interpreter services. Westman Immigrant Services partners with other organizations in order to provide expertise in addressing service gaps for immigrants within the broader community.

Settlement assistance includes orientation to life in Brandon and Canada including information about Canadian culture, citizen rights and responsibilities. Referral and access to community services such as medical, legal, educational and financial services are provided as needed. An Employment Facilitator is also available to assist with questions and services related to employment. The settlement program also provides an orientation program called the Brandon ENTRY program for newcomers. Contact the office for more information.

Immigrants wishing to improve their English are assessed at Westman Immigrant Services in order to attend government funded classes. A variety of English language programs are available for the Canadian Language Benchmarks levels of 1 to 4. We also provide an EAL Family Literacy program that allows parents with young children to attend a class with their children.

The Employment program assists individuals in finding employment and in accessing adult training programs. The employment facilitator also assists clients with credential recognition.

Professional, accredited interpreters are available through the Brandon Community Language Centre (BCLC). By hiring a qualified BCLC interpreter for high risk appointments where accurate communication is vital you can be assured of accuracy, confidentiality and impartiality. This service is offered on a user pay basis. Contact the office for more information and to book an interpreter.

Volunteer programs provide personalized assistance by matching immigrants with community volunteers for friendship and support. Westman Immigrant Services has a variety of volunteer opportunities.

Winter Hours:

Monday – Friday: 8:30 a.m. – 5:00 p.m.
 Weekends: 12:00 p.m. – 5:00 p.m.

Located in the heart of the Assiniboine Riverbank Trail System is the Riverbank Discovery Centre. Home to the Brandon & Regional Tourism Centre, Brandon Riverbank Inc., Brandon First and Ducks Unlimited Canada Offices, the Riverbank Discovery Centre contains information on the city, the southwest Manitoba region as well as Canada and the United States.

The Discovery Centre is open year-round and has day parking for RV’s and a free RV dump site, picnic areas and offers souvenirs and interpretive information on the natural beauty of the area. An excellent asset to the southwest corner of Manitoba, be sure to visit the Riverbank Discovery Centre.

Assiniboine Riverbank Trail System

Suggested starting point is the Riverbank Discovery Centre.

Trail maps and a self-guided pond tour brochure are available to help you plan your walk. Spanning approximately 17 km along the river, the Assiniboine Riverbank Trail System is comprised of numerous trails linked together with the intent to enhance both recreational and ecological opportunities.

The corridor includes a network of parks and pathways linked by the Red Willow Pedestrian Bridge. The trail system ranges from natural river bottom forest to paved, lit walkways and links formal sports venues to downtown shopping and dining. Enjoy an afternoon stroll along the riverbank or a picnic in one of the many parks and shelters along the way.

Be sure to take in the natural wonder around the Riverbank Discovery Centre. This area has become a haven for a variety of birds including the Yellow-throated Vireo, Red-winged Black Bird, Blue Heron, geese, ducks and other waterfowl. To obtain a complete map of the Assiniboine Riverbank Trail System, stop in at the Riverbank Discovery Centre #1 - 545 Conservation Drive.

Power Smart Waterfall of Lights

The Power Smart Waterfall of Lights is located at the west end of MacGregor Avenue. This scenic wintertime oasis offers skating through beautiful light displays. This popular winter venue is lit from December through until the end of February, weather permitting. The park is complete with warm-up shacks, music, fire pits, benches and washroom facilities.
