

This number reflects births in any Manitoba hospital to a mother residing in the City of Brandon. Brandon has averaged 623 births annually for the past ten years. Annual births appear below for the 2005-2020 fiscal years.

The total number of births listed does not include babies born en route, home births, still births or born in a location outside a Manitoba hospital.

Year	Births
2005/2006	542
2006/2007	613
2007/2008	608
2008/2009	589
2009/2010	664
2010/2011	614
2011/2012	712
2012/2013	741
2013/2014	673
2014/2015	696
2015/2016	674
2016/2017	749
2017/2018	650
2018/2019	660
2019/2020	629
